**7. STATEMENT TO THE PUBLIC**

Often times it may appear to members of our audience that the Board of Education takes action with very little comment and in many cases a unanimous vote. Almost without exception, before a matter is placed on the agenda at a public meeting the administration has thoroughly reviewed the matter with the Superintendent of Schools. If the Superintendent of Schools is satisfied that the matter is ready to be presented to the Board of Education, it is then referred to the appropriate committee. The members of the board committee work with Administration and the Superintendent to assure that the members fully understand the matter. When the committee is satisfied with the matter, it is presented to the Board of Education for discussion before any final action is taken. Only then is it placed on the agenda for action at a public meeting.

**21. HEARING OF THE PUBLIC - None**

**22. OLD BUSINESS:**

- Mrs. Roseman asked about the half day schedules since they were not on the agenda and how that would affect the timing of parent notification. Mr. Reid stated that they would probably only ask for approval of the last three of the four days since there wouldn't be enough time for parent notification of the first one. He also stated that they would look and try to revise the dates to coincide with long weekends.
- Mrs. Pappagallo reported QSAC monitoring.

**23. NEW BUSINESS**

- Mr. Forest stated that he would like more done to challenge all students at the top, in his case with his daughter. He feels more should be done for the middle students in the AVID program. He feels there is always more that we can do. Students are not prepared for music when they get to Red Bank Regional High School (RBR). He is not happy with the transition to RBR and he hears a lot about it. He is alarmed that his kids are not involved at RBR. He is alarmed that the Freshman Soccer team only has two Red Bank kids and feels it's bizarre. He is happy his kids stayed here in Red Bank and there are great things here. He feels we need to close the gap in pay. He stated we lost a lot of good teachers and his daughter has suffered. The problem will not be fixed overnight but it needs to be more equitable. There is always the pressure from the tax payers to keep taxes down.
- Mr. Reid reported that there was a meeting between RBR and Red Bank Administration about many issues especially the continuation of the Chinese language class and a homework policy. Mrs. Pappagallo stated that when our students enroll in their classes at RBR, they are not choosing Chinese as a language class. Also that RBR and Red Bank will be working on more articulation between the districts.
- Miss Lowe asked if there were sports and drama programs at RBR and if we have a sports program here. Mr. Reid answered Yes to all. Miss Lowe stated that parents should be encouraged to visit schools and be educated.
- Mrs. Burden asked that the Middle School Guidance Counselor should set something up for parents and explain the different options for Vocational Schools and RBR programs and concentrate on parent understanding. She also asked that they do this for the 8<sup>th</sup> grade parents in September.
